

CALL FOR PARTICIPATION

2022 Doctoral Student Professional Development Consortium Public and Nonprofit Division

Creating A Better World Together

82nd Annual Meeting of the Academy of Management
5-9 August 2022 | Seattle, Washington, USA | A Hybrid Experience

APPLICATION DEADLINE: FRIDAY, APRIL 30, 2022, AT 5:00 PM EDT

If you are a doctoral student with aspirations to research and teach in public or nonprofit management, consider applying to the Doctoral Student Professional Development Consortium of the Public and Nonprofit (PNP) Division of the Academy of Management (AOM). The Doctoral Consortium will take place virtually on **Saturday, August 6**. This is an excellent opportunity to meet representatives from a wide variety of public and nonprofit programs and to make connections that may assist in the job search process. The Doctoral Consortium includes:

1. Panels and personal feedback on finding an academic job,
2. Individual feedback from senior scholars on your existing research or proposal, and
3. Unparalleled networking opportunities among peers, future colleagues, and potential employers.

Doctoral students at any stage are welcome to apply to the consortium. The consortium is especially beneficial for students who are in the dissertation proposal development stage or later to discuss their research proposals or current projects with faculty members in the field.

To apply, please submit a one- to three-page research proposal or abstract of a research paper by **5:00 pm EDT on Saturday, April 30, 2022**. If you have decided on a dissertation topic, your submission should be a short synopsis of the dissertation. If you have not yet selected a dissertation topic, briefly outline a potential research project that could be shaped into a dissertation.

To Apply, Please Use [This Link](#)

Participants need to become [student members of AOM \(\\$99\)](#), but the PNP division will provide 40 stipends that cover the conference registration fee for students whose proposals were accepted by the consortium organizers.

Please direct questions to the PNP Doctoral Consortium Co-Chairs, Obed Pasha (pasha@unc.edu) or Alexander Kroll (akroll@fiu.edu).
